

**Sherburne Elementary School
Bus Discipline Policy**

Maintaining student control on the bus is a primary responsibility of the driver. Unmanageable behavior will be reported to the school principal. Parents will be notified at the discretion of the principal.

In the event a student is denied transportation privileges for a period of time, parents will be given notice by letter as well as by direct verbal contact when possible. A driver may remove a student from the bus when that student's behavior represents a serious immediate threat to the health and safety of fellow passengers and/or the driver and when removal of the student will not endanger the student's health or safety.

Note: Acceptable bids for bus contracts will include documentation of indemnity insurance held by the bus company.
